## Marquee and Overhead Entrance Canopies

- Signature visual and architectural statements.
- Steel construction with curved, flat, mansard and gable roof designs.

## Loading Docks

- Loading dock canopies – sloped or flat and available in any width (typically 3'11") and any length.
- Sloped dock canopy configuration favored for Northern snow drift load applications.
- Easy to install.
- Attachment connections to virtually any wall system.
- Engineered for your wind and live loads P.E. stamped drawings available.

## Architectural Metal Window Treatments and Sun Shades

- Aesthetically adaptable, repeatable, affordable architectural metal window treatments/sun shades.
- 12 standard colors with 20 year warranties as well as custom colors.
- Pre-painted metal accents significantly outlive vinyl and canvas alternatives.
- Shipped as individual kits for ease of material control and installation.

## Service Window, and Exit Door Canopies

- Keeping customers, employees and merchandise out of the sun and rain.
- Exit door, service window, hanging rod canopies.
- Sold as kits with width from 3'11" to 10' and lengths from 5' and up.

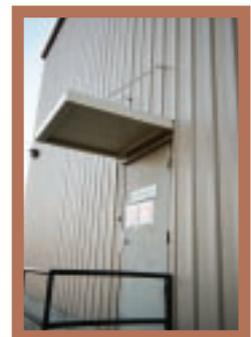

## Drive Thru Canopies

- Shipped as a pre-engineered kit with P.E. stamped drawings.
- Designed for adjacent installation for new or existing structures or direct attachment for new construction.

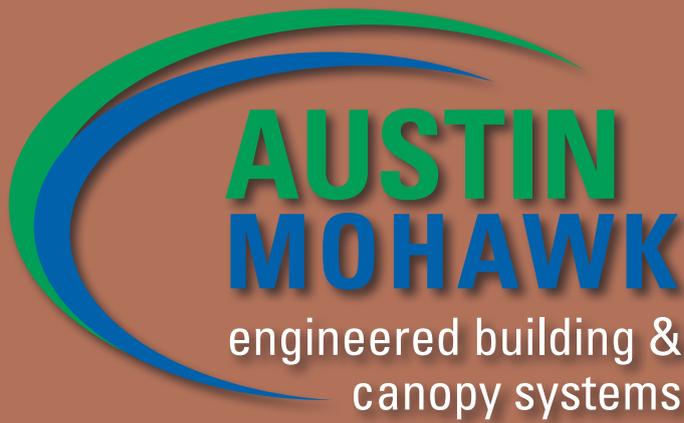

**“A lot of architectural look for the dollar.”**

**“Cost effective ways to enhance branding image.”**
